

Data Disclaimer and Terms of Use

August 3, 2021

(Any use of the GIS Portal constitutes acceptance of these terms.)

USERS' ACCEPTANCE OF THESE TERMS

The El Dorado Water Agency makes GIS and additional data (hereinafter, "Data") available without charge as a public service on the express condition that users who view, download, transfer or otherwise access or use the Data expressly agree to this Data Disclaimer and Terms of Use ("Terms of Use"). If you do not accept these terms, you may not view or otherwise use the Data for any purpose. These restrictions on use of the Data apply to you and to any transferee, vendee, or other end user of yours (collectively, "users"). If you transfer to, or use the Data in connection with, any such end user in a format or context revealing the El Dorado Water Agency as the source of the Data, you agree to inform such user(s), by copy of these Terms of Use or otherwise, that the El Dorado Water Agency does not warrant the Data in any way and makes each of the disclaimers set forth herein.

DATA WARRANTY

All Data provided by the El Dorado Water Agency is expressly provided AS IS. The El Dorado Water Agency makes no warranty of any kind, express, implied, or statutory concerning this Data, including but not limited to any warranties of merchantability, non-infringement of third-party rights, title, fitness for any particular purpose, and freedom from computer viruses. This includes the data the El Dorado Water Agency obtained from other sources and compile for convenience, subject to the terms of use of the original source.

The El Dorado Water Agency makes no claims, promises, or guarantees about the accuracy, currency, reliability, completeness, usefulness, or adequacy of the Data and assumes no responsibility or legal liability associated with the use of the Data.

The Data is not intended to constitute advice nor is it to be used as a substitute for specific advice from a professional. Users should not act (or refrain from acting) based upon information in the Data without independently verifying the information and obtaining any necessary professional advice. Users are solely responsible for ensuring the accuracy, currency and other qualities of any products derived from or in connection with the El Dorado Water Agency's Data.

The Data is collected from various sources and may be modified over time without notice to improve spatial and attribute accuracy, where warranted. The El Dorado Water Agency disclaims responsibility for the spatial accuracy and attribution of GIS features and makes no warranty concerning it.

LIABILITY DISCLAIMER

The El Dorado Water Agency disclaims any responsibility or legal liability to users for damages of any kind, including lost profits, lost savings or any other incidental or consequential damages relating to the providing of the Data or the use of it. The El Dorado Water Agency expressly disclaims any responsibility to defend or indemnify users against claims of others based on users' copying, reliance, distribution, or other use of any of the Data. Users assume the risk of using this Data and shall have no remedy at law or equity against the El Dorado Water Agency in case the Data provided is inaccurate, incomplete, or otherwise defective in any way.

NO AUTHORITY TO ACT AS EL DORADO WATER AGENCY

Users are not authorized by the El Dorado Water Agency to combine this Data with other data with the intent or effect of representing the business functions of the El Dorado Water Agency or the County of El Dorado such as, but not limited to, matters relating to water resource planning and management, land development, permitting, or flood hazard evaluation. When using this Data, a user has no authority to represent its products or services as though user were a El Dorado Water Agency agent or official. Maps or applications using this Data may not include the El Dorado Water Agency logo, El Dorado Water Agency seal, or any text or other content suggesting they are a direct product of the El Dorado Water Agency.

DATA CURRENCY

This Data may be updated at irregular intervals. All users should check for updates regularly and ensure the most current version of the Data is being used.

TERMINATION OF DATA AVAILABILITY

The El Dorado Water Agency reserves the right to modify the Data in any way or discontinue providing any or all of the Data at any time without notice and is not liable for any modification, suspension, or discontinuation of access to the Data. Additionally, the El Dorado Water Agency may require the termination of any and all display, distribution, or other use of any or all of the Data for any reason including, without limitation, the violation of any provision of these Terms of Use.

RELIABILITY OF OPEN DATA SITE

The El Dorado Water Agency does not maintain and is not responsible for the performance or reliability of this third-party website. The vendor (ESRI) may change the functionality or temporarily suspend the site for maintenance without notice. Performance and reliability are solely the responsibility of the vendor.
